

## DVI26000 CHAMPION & GRAND

HD Log Set or Rock and Glass

Both the Grand and the Champion inserts are true clean face designs intended to maximize your viewing area.

The Deluxe System boasts all the bells and whistles including a 7 day programmable remote with thermostat control and 7 stage modulating flame control. The Deluxe System also has a 6 stage modulating fan so the homeowner can enjoy both radiant and convection heat from one fireplace.

-Deluxe System requires 110V

Min Clearances:

## WESTWOOD

The Westwood boasts one of the boldest flames we have ever designed. The entire bottom of the burn chamber is one big stainless pan burner and much like the DVI26,000 Champion, the flame works its way around the log set creating an incredibly realistic burn. The log set and brick set are new designs for us; the brick being a darker shale rock design and the log set is big, bold, dark and charred.

The stoves slightly more contemporary design is meant to fit in with the rest of our lineup. It is also different and somewhat modern compared to the tired traditional look of freestanding stoves out there. Modern, but not too modern. We always aim to be unique!

\*Safety Screen attached to the unit.

## Quality Craftsmanship

Savannah's products are designed with superior components and materials, assembled by trained craftsmen who take great pride in their work.

The burner and valve assembly are leak tested and test fired at a quality control test station. Once assembled, the complete fireplace is thoroughly inspected by a qualified technician before packaging to ensure that you, the customer, receives the quality product that you expect from Savannah.
